RoboSub Team Video Requirements: Each team must submit an introductory video less than 3 minutes long, using an MPEG Streamclip. Please follow the procedures listed below in generating and submitting your video.

MPEG Streamclip: To compress your video, please use the following:
- Format: .MP4
- Compression: H.264
- Quality: 50%
- Sound: MPEG-4 AAC 128 kbps
- Frame Size: Unscaled

Video Submission Procedure
- An email will be sent to each team leader with an invitation to your team dropbox. The team leader will be required to upload the team video to your team dropbox.
- If you have questions, or to receive your dropbox invitation again, please email info@auvsifoundation.org.

Below is an example of the MPEG Streamclip settings:
